Parking within a City of Perth car park

The City of Perth provides up to two hours free parking in car parks for people with accessibility requirements who hold a valid ACROD permit.

Ticket Machine Car Parks

When an ACROD permit holder is parked in an unstaffed car park operated with ticket machines, they must purchase a ticket and display it on the dashboard with their valid ACROD permit. The ticket will remain valid for a further two hours after the expiry time.

Boom Gate Car Parks (when staff on duty)

When an ACROD permit holder is parked in a staffed car park where they are issued with a ticket at the entry boomgate, the driver will need to redeem their free parking by visiting the Customer Service Office prior to exiting the car park. The Customer Service Officer will need to sight the permit and will also collect any monies owing for parking in excess of two hours.

Boom Gate Car Parks (when staff not on duty)

Where a Customer Service Officer is not in attendance ACROD permit holders will need to pay the full fee and obtain a refund for up to two hours by posting their receipt and a legible copy of their permit to Off Street Parking, GPO Box C120 Perth 6839.

Use of ACROD Bay:

ACROD permit holders who do not require a wheelchair or walking frame can park in any non-reserved bay within a car park and still receive concessions, thus leaving the extra-wide bays for those who need them.

Parking On Street (Kerbside)

The City of Perth provides parking concessions On Street (kerbside) for people with accessibility requirements who hold a valid ACROD permit.

Kerbside parking bays are on street parking bays controlled by green permissive parking signs eg. ¼ P, 1P, 2P

There are two sign types: (a) and (b).

(a) Time restricted, no fee payable

A vehicle displaying a valid ACROD permit parking in a time restricted parking bay may park for double the limit indicated on the sign. Once this time expires the vehicle must vacate the parking bay.

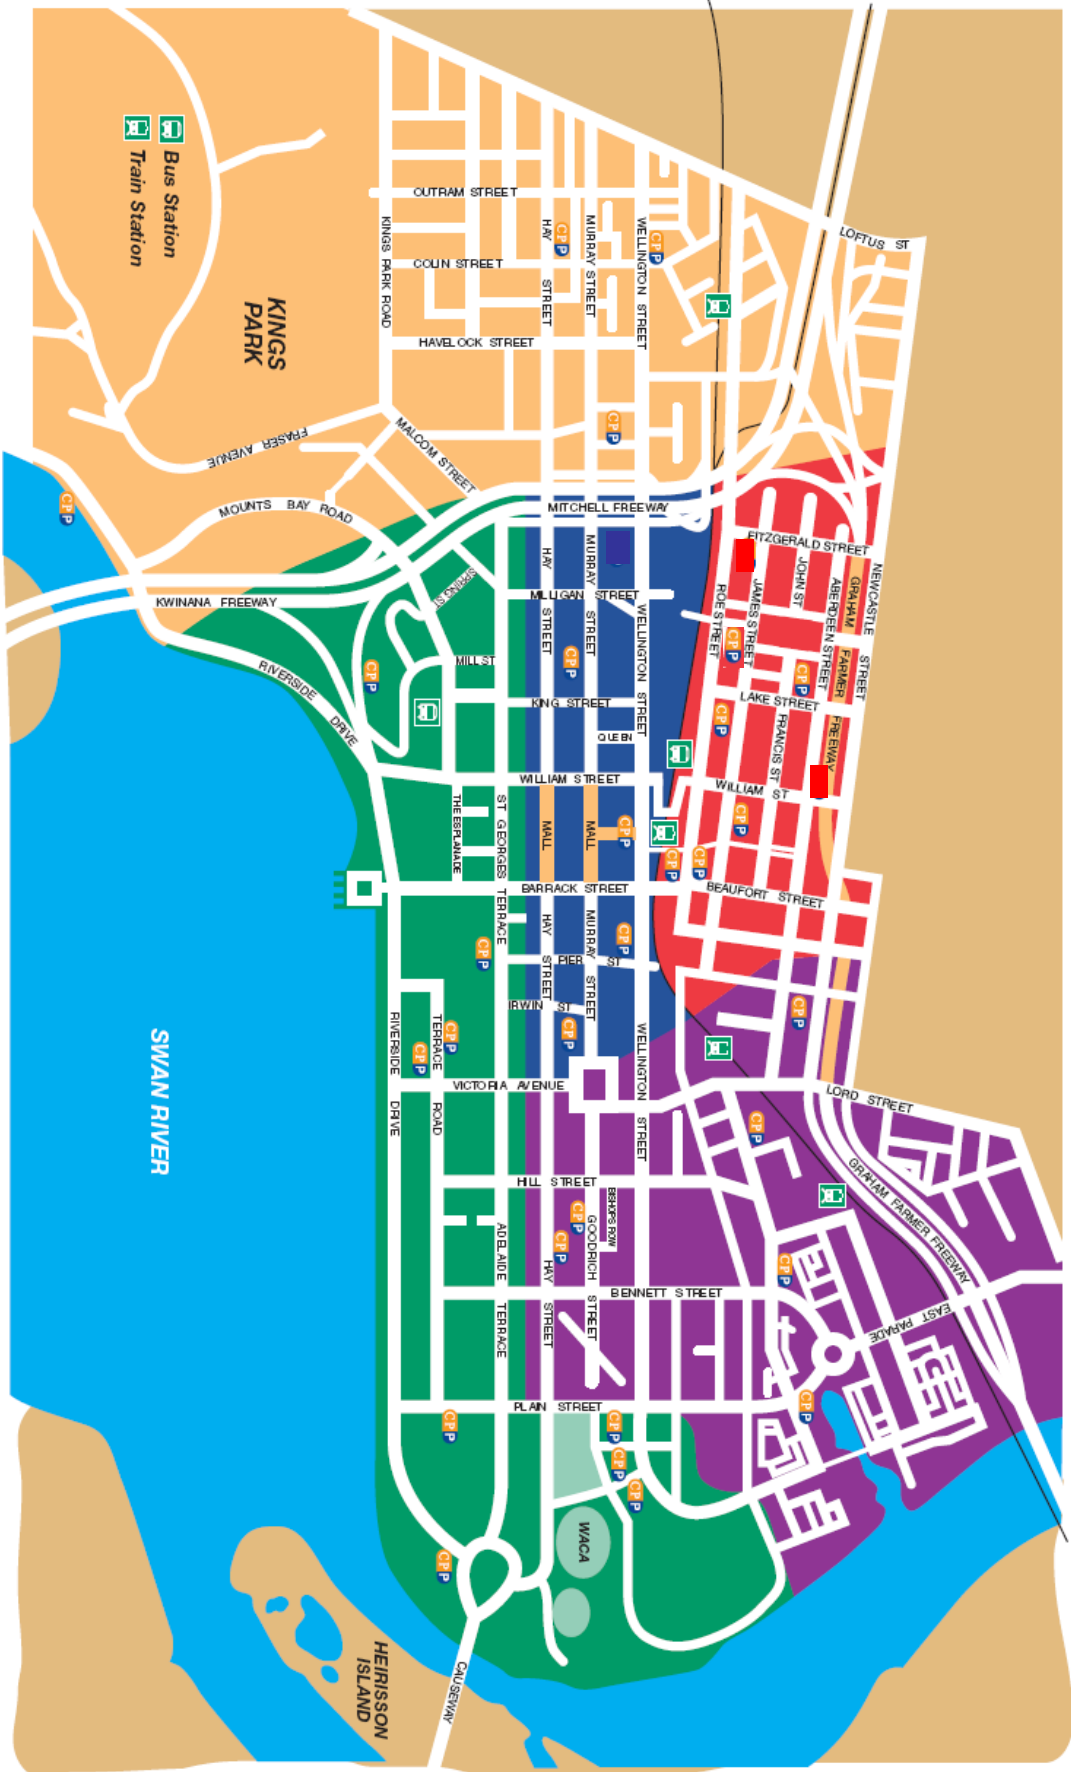

(b) Time restricted, fee payable

A vehicle displaying a valid ACROD permit parking in a time restricted parking bay where a fee is payable must pay the applicable fee for the time allowed to park. After the purchased time expires the vehicle may remain parked for the same time again but once this second period expires the vehicle must vacate the parking bay.

Parking in a time restricted ACROD bay is limited to the period stated on the sign.

These concessions do not apply to restricted parking areas (information on sign is written in red) such as Clearways, Loading Zones, Bus Zones, Taxi Zones.

Failure to adhere to the above concessions may result in a parking infringement being issued.
