

IMPORTANT NOTICE!

ACROD Parking Program and Changes to your 2008 Organisation Permits

Changes to the ACROD Parking Program

A number of changes have occurred in 2007 to enhance the ACROD Parking Program. Previously your organisation was sent new green organisation permits (below) that indicated an interim Permit and ACROD number on the back.

New 2008 Organisation Permit

We are providing you with replacement permits (right) that clearly show:

- Organisation name
- Updated dates the permit is valid for in 2008
- Permit number on the front/display side
- Permit number and ACROD number on the back

These changes will help local government rangers and shopping centre security officers in their monitoring of parking and the permits.

**All new permits should be in use from
1st January 2008.**

**Sorry for any inconvenience this may
cause your organisation.**
